

Enzyme Magic No-Rinse Floor Cleaner

“Green Cleaning Technology”
For The Food Service Industry

Nature’s Toughest Cleaner

ENZYME SOLUTIONS
INCORPORATED

PRODUCT DESCRIPTION

Enzyme Magic No-Rinse Floor Cleaner is an industrial strength cleaner designed for all hard surfaces in restaurants. Helps lift grease from grout lines.

Enzyme Magic No-Rinse Floor Cleaner is a multi-enzyme formula designed to break down grease, oil, and food waste rather than merely pushing the soil around with surfactants.

Enzyme Magic No-Rinse Floor Cleaner eliminates offensive odors by destroying the organic matter; It does not just mask odors!

Enzyme Magic No-Rinse Floor Cleaner has a neutral pH, and contains no butyl, caustics, or phosphates.

Enzyme Magic No-Rinse Floor Cleaner is designed to discharge down the drain where the enzyme formula will continue to attack the grease, oil, and food waste found in drain lines.

Enzyme Magic No-Rinse Floor Cleaner is non-corrosive and safe for use on all surfaces.

ADVANTAGES

Enzyme Magic No-Rinse Floor Cleaner

- **TOUGHER** than caustic products
- **SAVES TIME**– No rinsing
- **BIODEGRADABLE**
- **SAFE** for all surfaces
- Destroys organic soils: destroying odors at the source!
