RECOMMENED USES:

- Industrial Floors
- Concrete Pads
- Service bays
- Gas Stations
- Parking Decks
- Racing Pits
- Walls
- Bathrooms

TECHNICAL DATA:

- pH neutral
- 100 % bio-degradable
- Nonflammable
- No harsh chemicals
- Non-Caustic
- Dilution up to 50:1

PACKAGING:

- 1 Gallon
- 5 Gallon Pails
- 55 Gallon Drums
- 275 Gallon Totes

**MANUFACTURES DATA AND SAFETY REQUIREMENTS**

Specific Gravity	1.003	Safety Equipment and Clothing	None
Boiling Temperature	108 <sup>0</sup> C	Disposal Guidelines	Common Drains
Storage Temperature	10-70 <sup>0</sup> C	Flash Point	None
